Subject : Career counselling talk for college students

Sir,
I would like to inform you that the students enrolment in our college is more than 2000 and a large number of them are first generation learners and also from reserved categories. They know very little about different govt. jobs and also the job prospect ion private sector. Hence career counselling from your end will be very much helpful for our college students.

I request you to give lecture on different prospect of jobs in both the govt. and non-govt sector on 18.05.2023 at 2:00 pm.

Thanking you,

With regards,

Dear Dr. Soma Ma'am,

Greetings from Naandi Foundation's Mahindra Pride Classrooms!

→ **Mahindra Pride Classroom** is a flagship Corporate Social Responsibility (CSR) Livelihood programme of the Mahindra and Mahindra group and is fully implemented by Naandi Foundation, a Public Charitable Trust incorporated under the Indian Trusts Act, having its registered office in Hyderabad.

Mahindra Pride Classroom's vision is "To mainstream socially and economically disadvantaged female youth, through the process of skill-development training, so as to make them employable in the various sector".

The Mahindra Pride team strongly believes that apart from academic education, Skill Development is also required for students when they step out into the professional world. It is imperative for young adults to be equipped with essential life skills and soft skills. While certain skills may be acquired through everyday experience at home, Classroom or College, they are not sufficient to adequately equip the youth in today's complex society.

The Mahindra Pride Classroom aims to help students to:

- Develop an identity and improve their self-esteem.
- Manage emotions and overcome obstacles.
- Build relationships and polish their interpersonal skills.
- Enhance and improve employability skills.
- Improve personal and professional effectiveness.
- Develop Problem Solving and Critical Thinking skills.

The life skills component of the training module has helped to transform the learners into confident, determined, goal-oriented – a personality shift essential for them to pursue successful careers in the sectors of their choice.

It has helped improve students' understanding of the world and their role and responsibility towards it. It has also enabled them in finding ways to cope with the challenges that life throws at them. These young adults who underwent our training, firmly believe that they will be able to live a more productive and fulfilling life.

What does the Mahindra Pride Classroom programme consist of?

-

Soma Roy
Principal
Serampore Girls' College

Sub: Proposal for Implementation of Employability Skills Training Programme for final year passing out Graduate Female Students under Mahindra & Mahindra's CSR initiative "Mahindra Pride Classroom" on Offline Platform.

Dear Sir/Ma'am,

Greetings from Naandi Foundation's Mahindra Pride Classrooms!

Mahindra Pride Classroom is a flagship Corporate Social Responsibility (CSR) Livelihood programme of the Mahindra and Mahindra group and is fully implemented by Naandi Foundation, a Public Charitable Trust incorporated under the Indian Trusts Act, having its registered office in Hyderabad.

Mahindra Pride Classroom's vision is "To mainstream socially and economically disadvantaged female youth, through the process of skill-development training, so as to make them employable in the various sector".

The Mahindra Pride team strongly believes that apart from academic education, Skill Development is also required for students when they step out into the professional world. It is imperative for young adults to be equipped with essential life skills and soft skills. While certain skills may be acquired through everyday experience at home, Classroom or College, they are not sufficient to adequately equip the youth in today's complex society.

The Mahindra Pride Classroom aims to help students to:

- Develop an identity and improve their self-esteem.
- Manage emotions and overcome obstacles.
- Build relationships and polish their interpersonal skills.
- Enhance and improve employability skills.
- Improve personal and professional effectiveness.
- Develop Problem Solving and Critical Thinking skills.

The life skills component of the training module has helped to transform the learners into confident, determined, goal-oriented - a personality shift essential for them to pursue successful careers in the sectors of their choice.

It has helped improve students' understanding of the world and their role and responsibility towards it. It has also enabled them in finding ways to cope with the challenges that life throws at them. These young adults who underwent our training, firmly believe that they will be able to live a more productive and fulfilling life.

What does the Mahindra Pride Classroom programme consist of?

- Life Skills - compassion, respect, gratitude, being a responsible global citizen,
- Soft Skills - grooming, body language, teamwork, time management, social manners, etc.
- Communication Skills - functional English and the ability to express themselves clearly in
