'Nature club poster competition 2020-2021' report

At our most hearty happiness, we, the members of the Nature club, Serampore Girls' College, are gladly reporting the successful occurrence of the event of 'Nature club online poster competition 2020-2021' named as "Nature's right to be loved and protected" on 1st October, 2020. There were seven different topics, based on which participants could submit their entries i.e.

- i) Wildlife and Human conflict
- ii) Plastic and oil spill – choking the nature
- iii) Afforestation – the only way to save Human Civilization.
- iv) Chemical fertilizers vs. Green manure
- v) Erase E-waste – protect nature
- vi) Greenhouse effects – turned into enemy
- vii) Stop wasting – water is right of every creature/wasting water a curse to humanity.

A total of 18 participants took part in the event enthusiastically and sent their well-thought work via given 'Google form', as organized by the organizing departments viz. Department of Botany and Zoology. Associated faculty members collected the responses and submitted to the Nature club committee for the judgment and results.

A panel of judges, with three members, was constructed as per the recommendation(s) of the honorable members of the Nature club. On 11th March, 2021, the results were declared by the judges indicating the first, second and third positions, based on the criteria viz. attractiveness of the content, skilled drawing/painting and efficiency of message being conveyed.
