ensuring that the Publisher is provided with, at the latest at the delivery date of the manuscript for the Work, an accurate description of each media enhancement and its respective website or repository, including its/their owner, nature and the URL. The Publisher is entitled to reject the inclusion of, or suspend, or delete links to all or any individual media enhancements.

- 2.5 In the event that the Publisher deems an index necessary, the Publisher will be responsible for the index generation. The Editor agrees to provide the Publisher with a list of index terms (manuscript page numbers are optional), to mark the terms in the manuscript file or to check the index terms marked by the Authors (standardisation with regard to spelling and distribution of terms). The Publisher will generate the index automatically based on these terms and will assume all costs of index generation. Should the Editor fail to provide the index terms despite a reminder and a grace period of two weeks after delivery of the manuscript, the Publisher may select terms for an index or have it selected by a third party. In this case, the additional direct costs as incurred by the Publisher shall be borne by the Editor. The Publisher shall have the right to charge and invoice these costs through its affiliated company Springer Nature Customer Service Center GmbH or Springer Nature Customer Service Center LLC, respectively, to the Editor, payable within 14 days of receipt of the invoice.

- 3.1 The Editor, if and insofar as the Editor holds rights to the Work or parts of the Work, hereby grants to the Publisher the perpetual, sole and exclusive, worldwide, transferable, sub-licensable and unlimited right to:
- publish, produce, copy, distribute, communicate, display publicly, sell, rent and/or otherwise make available the Work in any language, in any versions or editions in any and all forms and/or media of expression (including without limitation in connection with any and all end-user devices), whether now known or developed in the future, in each case with the right to grant further time-limited or permanent rights. The above rights are granted in relation to the Work as a whole or any part and with or in relation to any other works.
- Without limitation, the above grant includes:
- (a) the right to edit, alter, adapt, adjust and prepare derivative works;
  - (b) all advertising and marketing rights including without limitation in relation to social media;
  - (c) rights for any training, educational and/or instructional purposes; and
  - (d) the right to add and/or remove links or combinations with other media/works.
- The Editor hereby grants to the Publisher the right to create, use and/or license and/or sub-license content data or metadata of any kind in relation to the Work or parts thereof (including abstracts and summaries) without restriction.
- The Publisher also has the right to commission completion of the Work in accordance with the Clause "**Editor's Responsibilities – Delivery and Acceptance of the Manuscript**" and of new editions of the Work in accordance with the Clause "**New Editions**".
- 3.2 The copyright in the Work shall be vested in the name of the **Editor and the Authors**. The Editor has asserted their right(s) to be identified as an originator of the Work in all editions and versions of the Work and parts thereof, published in all forms and media. The Publisher agrees to insert a copyright notice into all editions of the Work according to the provisions of the Universal Copyright Convention (UCC). The Editor agrees that all editing, alterations or amendments to the Work made by or on behalf of the Publisher or its licensees for the purpose of fulfilling this Agreement or as otherwise allowed by the above rights shall not require the approval of the Editor and will not infringe the Editor's "moral rights" (or any equivalent rights). This includes changes made in the course of dealing with retractions or other legal issues.
- 3.3 The Publisher and the Editor acknowledge the existence of applicable accessibility law and regulation including without limitation an exception to copyright legislation under which charitable bodies and other organisations providing for print-disabled people such as, but not limited to, blind, dyslexic or other reading-impaired people ("**Print Disabled Persons**") have the right to create accessible format copies of

particular, for example, 'e.g.' or any similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms.

- 14.5 If any difference shall arise between the Editor and the Publisher concerning the meaning of this Agreement or the rights and liabilities of the Parties, the Parties shall engage in good faith discussions to attempt to seek a mutually satisfactory resolution of the dispute.
