Webinar to Seminar: A revisit to New Normalcy

The COVID-19 pandemic had retarded all kinds of human activities for more than two years when WHO declared a pandemic on March 11, 2020. The worst affected sector was most probably the education sector. Since the pandemic outbreak caused by SARS-CoV-2, the world's educational sectors have tried to run education through online mode. Seminars, symposia, and conferences have transformed into 'WEBINARS.' The world, including India, has witnessed a massive toll of deaths and mass infection by several waves due to Alpha, Beta, Gamma, Delta, Lambda, Mu, Iota, Epsilon, Omicron, etc., variants and their mutations.

After the appeasement of the spread of the coronavirus, academic and other activities have become normal in 'NEW NORMALCY' condition. The Department of Geography of Serampore Girls' College, Hugli, is one of the pioneers to start the academic assemblage to conduct a two-day ICSSR-ERC sponsored National Seminar on "Self-reliance (Atmanirbhar), Sustainable Development and Environment" on March 25-26, 2022.

A wide range of well-renowned scholars of geography, such as Prof. A. R. Siddiqui (Allahabad University), Prof. N. C. Jana (University of Burdwan), Prof. L. N. Satpati (Director UGC-HRDC, University of Calcutta), Prof. Sunando Bandyopadhyay (University of Calcutta), Prof.

Howran), and many more joined the seminar.

A good number of assistant professors such as Dr. Bappa Sarkar (Dinhata College), Dr. Jayanta Das (Rampurhat College), Dr. Kathakali Bandyopadhyay (Subarnarekha Mahavidyalaya), Dr. Jaidul Islam (PRMS Mahavidyalaya), Subhadip Gupta (Asutosh College), Dr. Madhab Mondal (Basirhat College) and many more participated in the seminar.

About 60 academic research papers were read in the seminars. @Dr. Asrafal Alam (HOD and Convener of the seminar) and his faculty members (Ms. Moumita Kundu, Ms. Tumpa Hudut, Ms. Taniya Kar, & Ms. Priyanka Dey) did a good job of arranging such a wonderful and well-arranged seminar maintaining the decorum of an ideal national level seminar.

Without the patronizing of DR. Sudipto Roy (GB President and Hon'ble MLA, Serampore) and Dr. Soma Roy (Principal, Serampore Girls' College) and the help of other faculty members of the college and members of GB, the seminar would never have been successful. Moreover, the college students, juniors, and friends of Dr. Alam were very active in successfully completing the seminar.

Prof. A. R. Siddiqui (Secretary-General, IIG, and Former HOD, Department of Geography, University of Allahabad) acknowledged #Dr_Asrafal_Alam as #Father_of_Offline_Seminar_Convener after the COVID-19 pandemic in Eastern India.
