## TEACHERS' FEEDBACK 2020-2021

### Objective of Teacher Feedback:

- Improvement of Instruction: Feedback on curriculum, teaching methods, assessment strategies, and classroom management to identify areas for improvement and enhance the learning experience for students.
- Student Performance Evaluation: Feedback on assignments, exams, projects, and overall academic progress to assess student performance against learning outcomes and college standards.
- Program Assessment: Feedback on program content, delivery methods, and alignment with industry standards to evaluate program effectiveness and make recommendations for improvement.
- Institutional Improvement: Feedback on administrative policies, facilities, resources, and support services for students to provide insights and suggestions for enhancing the overall college environment and experience.
- Professional Development: Seeking feedback on teaching strategies, classroom management, and interactions with students and colleagues to reflect on and improve teaching skills and effectiveness.
- Stakeholder Communication: Providing feedback on college performance, student achievements, and areas for improvement to keep stakeholders, such as parents, administrators, and policymakers, informed and engaged in the college's progress and initiatives.
