DEPARTMENT OF GEOGRAPHY

FIELD STUDY

Field study is mandatory for the subject of Geography as it is an integral part of it. It helps students to understand how a particular type of physical condition has influenced the people of that particular area and how their social-cultural lives are controlled through ages and to what extent man has been able to adapt themselves to natural surroundings to develop their own culture. The physical landscape of a region has a profound influence on the cultural mosaic of the region.

*My heaven is everywhere
I am happy every There is Bliss for me everywhere*

----*Yoga Vasishtha*

Objective of the field report-1.Acquiring the ability to interpret the distribution and processes of physical and human phenomena; 2. Understanding the dynamic interrelationship between physical and human world; 3. Locating places and the relationship between them according to scale.

YEAR	PLACE OF VISIT	DATE	NO OF STUDENTS OF 2ND YRS HONS	TITLE OF FIELD REPORT
2018	Chapatali,Alipurduar	07 /02/2018 -11/02/2018	45	PHYSIO –CULTURAL PROFILE OF Chapatali,AlipurduarW.B.

Soma Roy
Principal
Serampore Girls' College
Serampore, Hooghly

Outcome: 1.This allows students to collect data about the dynamic places, people, and species around them. 2. Field work enables students to examine the way scientific theories interact with real life. 3.These include secondary information, including maps and other data, field observation, data generated by interviewing people through questionnaires.

STUDY TOUR

Student enrichment programme focuses chiefly on enhancing and improving education in schools, homes and communities.

Objective:

- Community events that occur in local venues
- Awareness, skill-building, and behavior-changing lesson plans, activities and/ or classroom supplements;
- Volunteer opportunities

Biramnagar is a Village in the Hooghly district in West Bengal, India. It falls under **Singur Block**. It's a prosperous village. As it is characterized by a plain region it offers paddy, jute, and vegetables for the local people. The total population of the town is 1197(According to the 2011 census). Students of 2nd yr general are taken to the village to prepare population biodiversity on students of Biramnagar primary school . Total participating students are 12 and they prepare a joint report on it.

Date: 9/03/19

Outcome: students were happy to visit the place, and enjoy the learning activity with primary school students and grew a desire for community services.
