Field visit

Due to the pandemic situation in covid period, the tour was organised in the local area of the student's residence in Naiti Village, Hooghly. A few students of 5th-semester honours visited the village for the primary survey of this report. The total number of 5th sem students was 38. The field report was mandatory for the CU exam so all students participated in the fieldwork.

Objective of the field report-1. Acquiring the ability to interpret the distribution and processes of physical and human phenomena; 2. Understanding the dynamic interrelationship between physical and human world; 3. Locating places and the relationship between them according to scale.

Name of Course: Report on fieldwork Lab

Code: GEO-A-CC5-11-P

Location: Nati, Village Hooghly

Course Objective:

Students will learn

To study the physio and socio-economic status of selected villages in Nati, Village.
