Report on mentoring by Dr. Snigdha Chattopadhyay

 2nd, 4th, 6th Bengali Hons and 4th, 6th Bengali Gen. Report

Total NO of students

Bengali Hons	Bengali Gen.
2 nd sem - 16	x
4 th sem - 19	25
6 th sem - 17	12

In CBCS the syllabus is considerably large, the time period allocated for completion of the syllabus is less. The attendance in class of 2nd, 4th, 6th sem Hons is better but the general students attendance is poor. During lockdown period, the guardians of many students have lost their jobs, and it has a negative impact on the education of the students. Naturally the students were facing many problems. The student can not avail themselves of the concession facility for travelling by train. The books of the new syll for 6th sem Hons & Gen are unavailable in the room. Needless to say, most of the students belong from poor and needy families.

Recommendations:

- i) E-Library should be introduced for all.
- ii) The students should be provided with the facility travel concession.
- iii) Financial assistance needs to be given to the economic backward students.
- iv) College has no common room, so needs students come we forwarded to the principal for granting the prayer regarding full free of 4th sem Hons student Riya Das - 4th sem Roll NO - 21035.

REPORT OF MENTORING BY THE MENTORS OF SEMESTER VI

REPORT OF MENTORING 2022-23

DR SURANJANA BHADRA

The students of English Hons of Semester 6 are divided equally among two mentors. Among 44 students, 22 students are mentored by each mentor. For Mentoring the department provided a 'Students Database Form' to the students. Students filled up a form stating their problems and submitted it to the concerned mentor. Mentoring Classes were held on 31.03.2023 & 01.04.2023

The problems stated by the students are as follows:

1. Lack of books in the library.
2. Requirement of sample answers for some portions of the syllabus.
3. Financial help for needy students
4. Request for decreasing the number of CIEs

The teacher addressed these issues in consultation with the college authority. Needy students with very poor family income have been enlisted for Full/ Half Free Scholarship (for College Fees). Four students from each Semester have been selected on the basis of their class attendance and academic performance. The mentors tried to solve the problems to the best of their capacity.

1. The librarian has been requested to provide books under special conditions to needy students.
2. Sample answers and notes were shared with the students in college whats app groups.
3. Though the CIEs prepare the students for the final examination, the students miss classes during such exams. This will be brought to the notice of the academic committee at the earliest.

Mentoring program requires a careful resource evaluation and analytical approach. How the students were mentored-the issues addressed, the problems faced by the students:

1. The filled up forms of the students were read thoroughly taking into consideration their background, distance of college from their homes, mode of transport, number of members in the families, salary certificate as submitted along with the filled up forms, etc. Next consideration being mental and physical health of students .

2. Students' regularly in class, 2022-23, their attendance in classes, interest in studies, performance in madhyamik, Higher secondary examinations and CBSC results.

3. Library: Unavailability of books has been a major concern for some students. This issue has been addressed by the teachers providing books from the Departmental Library.

Mentoring program requires a careful resource evaluation and analytical approach. How the students were mentored-the issues addressed, the problems faced by the students:

1. The filled up forms of the students were read thoroughly taking into consideration their background, distance of college from their homes, mode of transport, number of members in the families, salary certificate as submitted along with the filled up forms, etc. Next consideration being mental and physical health of students .

2. Students' regularly in class, 2022-23, their attendance in classes, interest in studies, performance in madhyamik, Higher secondary examinations and CBSC results.

3. Library: Unavailability of books has been a major concern for some students. This issue has been addressed by the teachers providing books from the Library.

4. Economic/financial crisis: Many students are from poor economic backgrounds. Some avail Kanyashree grants-an aid by the state government for the students' education. Low income is one of the major hindrances which necessitates half-free and full-free reduction in the tuition fees and this has been in practice.

Outcome:

Students recommended for half-free and full-free in tuition fees:

Problems faced by the students :

1. Most of the students are first generation learners ;
so they do not get proper academic guidance at home .
2. Previously they could not avail any scholarship because
of lack of proper information.
3. Mostly, our students come from very wretched
financial families.
4. No railway concession availed.

Actions taken :

1. Referred the selected students for half and full
freeship.
2. Introduced our students to various scholarship
websites .
