Open House Session
[2019-2020]
Date : 21-08-2019

As a part of maintaining better inter-personal relationship and also for development of studies we organize "Open House Session", wherein students express their minds to the teachers about their difficulties, queries etc. through interactive process. The concerned teachers clarify and resolve the points raised with utmost sincerity and eagerness. Transparency with open mindness is followed as our guiding principles. Suggestion and proposals about the teaching methods, practices, learning aids etc. are also invited from students for betterment and further development of education. The part of weaknesses or deficiencies of the students are identified, analyzed and counseled as lucidly as possible for further betterment and refinement. Students also find ample scopes of liberal access generate answer/clarification through interactive process in homely atmosphere. The record of attendance, model questions and photographs are displayed herein.

OPEN HOUSE PROGRAMME:

Objective

The Open House aims to challenge, redefine and improve the way students perceive departmental activities and programs as part of their daily life. An open house can be one of the brightest and most interesting ways for teachers to get to know their students. An open house can encourage and strengthen collaboration between students and teachers throughout the year. This can improve the understanding and appreciation of education; explain the university program; increase the appreciation of students to your department; and reveal students' needs, achievements and problems.

Implementation and Outcome :

YEA R	DATE	Venue	SEME STER	NO OF PARTICIPANTS	TIME
2019- 2020	14.8.2019	SB 35	1st se m	28 teacher 01(HOD)	1p.m - 3 p.m

On **September 14, 2019**, the department held an open house day for 1st-semester students with honours. For this, a questionnaire was prepared by the teachers to understand the general description of the teaching-learning process, and departmental activities from the student, and interaction was carried out between the teachers and the students. Our HOD Taniya kar explained questions and communicated openly with students so that they can express their concerns, needs and opinions without fear.

OUTCOME:

1. It helps the teacher to understand the general description of the teaching-learning process and departmental activities of the student, and
2. The interaction carried out between the teachers and the students helps a peaceful positive environment in the department.
3. There was a positive response found among students.
