Objective: To encourage students to learn about the modern requirement in IT Sector. To make them know how to join in IT Sector.

Program Details: Department of Sciences (Computer science, Physics) has arranged a career counselling program to discuss about different Job Aspects in IT Sector. Sanchari Sen, Senior Software Engineer, Capgemini Service India Pvt. Ltd. Kolkata discussed about different topics on Jobs in IT. She is also ex-student of Department of Computer Science. 15 Students of 1st, 3rd and 5th Semesters participated on this session. The session was interactive and very effective. The topics described in the session were Understanding the IT Industry, Skills Required, Educational Pathways, Career Options, Job Search Strategies, Networking and Professional Development, Interview Preparation for IT Industry etc.

Outcome: We, the team of Departments of Sciences, were really flabbergasted by the immense response of our students to take part in the event. The newer age with shiny intelligence actually struck their mark for sure. We are quite hopeful for such future endeavors if our honorable college authority allows us to arrange the fruiting of such plans.
